

Rochdale Leisure Centre Indoor Bowls League

End of Season Competition 2017

The current league fixtures are due to finish on 20th February, once again a competition will take place afterwards to fill the dates until the end of March 2017.

The league is divided into four groups of five teams based on their final positions in the current league fixtures, i.e. group A, team positions 1 to 5, group B, positions 6 to 10, group C positions 11 to 15 and group D 16 to 20.

Each team will be handicapped, again based on their final league position and will play the other teams in their group in a round robin under the same rules of play we currently use.

Because of time restrictions some teams will be asked to play twice on one Monday afternoon.

Teams may not practice before games.

The lower placed league team will have the first jack.

Please add your handicap onto the score sheets.

Each group will then be organised into a league table based on results.

The top two teams in each group after the round robin stage will play off in a 'final' to give winners and runners up for each group.

The timetable will be as follows,

20th February final date of current league matches

27th February to 20th March EOS round robin matches

27th March 12.30pm group final matches followed by presentations.

Please note there is **no break** between the end of the league fixtures and the start of the EOS KO competition, please check the website for updated fixtures.
