

# PUPPET SCIENCE THEATRE

A STORYTELLING & SCIENCE WORKSHOP FOR LIFE LONG LEARNING

## THEATRE

Choose a story, sit back, relax and enjoy all the fun of the theatre! Designed and delivered by the amazing artist and puppeteer Vicky Lomax, these workshops stimulate thinking and challenge children's ideas about science!

## OWL BABIES

Sage the Pixie is confused! Why do some animals sleep all day and are only awake all night? Help her understand by identifying different woodland animals and their habitats! An original performance Based on the book by Martin Waddell.

## JACK & THE BEANSTALK

Onion the Pixie loves plant. She loves their roots, leaves, flowers and stem. Yet, she's confused as to how they grow! Share in her journey as she discovers how plants need water, light and a suitable temperature to survive and grow!

### PLEASE INFORM US OF YOUR STORY CHOICE WHEN BOOKING!

Accompanying adults are responsible for the behaviour, health and safety of the children. Also, to supervise children on activities (and join in with the fun!)

## EYFS & KSI CREATIVE LEARNING

### HOW DO YOU LIFT A LION?

Meet Albert Lionstein and find out what his favourite scientific objects are. Can you help him to solve a problem so he can reach the juiciest apples on the tree?

### SEASIDE HOLIDAYS

Meet Candy Cane and find out what she brought back from the seaside on her last visit. Watch a live show of Punch and Judy before playing seaside games! Then make your own puppets!
